This table provides a detailed breakdown of the performance indicators for various agencies. The scores are based on a scale of 1 to 100, where 100 represents the highest performance. The total score for all agencies combined is 600. The data shows that Agency A has the highest score, while Agency E has the lowest. The performance indicators are categorized into two groups: Indicator 1 and Indicator 2. The scores for each indicator are also provided. The data is presented in a clear and concise manner, making it easy to compare and contrast the performance of different agencies. The table is well-organized and easy to read, with a clear layout and consistent formatting. The use of bold text for the total row helps to highlight the overall results. The table is a valuable tool for analyzing and understanding the performance of different agencies.
